WHITMORE & HALE LLP

A serious firm, translated into a serious web presence.

Traditional-modern corporate identity, exact supplied palette and type scale, and a conventional editorial structure — not a generic template.

THE BRIEF

Authority without ornament.

New York headquarters with a Boston office; NY & MA State Bar admissions; Super Lawyers, Chambers USA and Best Lawyers markers; “Since 1998” heritage; and an Attorney Advertising disclosure.

- ✓ Deep navy, gold accents, burgundy detail, generous whitespace.
- ✓ Serious legal photography, no external image services.
- ✓ Exact 12-column grid: 1200px container, 28px gutter, 112px sections.
- ✓ Verbatim copy including “rates on request” and “26 years”.

HOME ARCHITECTURE

60/40 hero · inline trust strip · 4×2 practice cards · sticky about · 4-col stats · 3-col results · 4-col partners · vertical timeline · FAQ · contact form · footer · floating call.

17 GENERATED PAGES	**22** ORDERED HOME SECTIONS	**8** PRACTICE AREAS
8 ATTORNEY PROFILES	**20** LOCAL PHOTOGRAPHS	**0** EXTERNAL RUNTIME CALLS

Also included: 6 insight posts, 16 industry tags, 3 testimonials, 6+6 FAQ entries, case-result table and featured cards, offices map, newsletter, client-portal modal, EN/ES navigation, and local-only form validation.

WHITMORE & HALE LLP

A restrained editorial system.

Playfair Display for authority, Source Sans 3 for clarity, gold for emphasis, and the exact brand variables carried through every page.

TYPOGRAPHY

Counsel you can build a case on.

Measured. Prepared. Exact.

Body: Source Sans 3, 1.0625rem, line-height 1.75. Labels and navigation: 600 weight, uppercase, 0.14em tracking. Buttons: 0.875rem, 0.1em tracking.

EYEBROW · NAVIGATION · BUTTON · VERDICT AMOUNT

H1 uses clamp(2.5rem, 5vw, 4.25rem); verdict amounts use Playfair 700 in gold.

EXACT PALETTE

Primary #0A2540	**Secondary** #B08D3F
Accent #7A1F2B	**Background** #FBFAF7
Surface #FFFFFF	**Ink** #101826
Muted #5C6672	**Line** rgba(10,37,64,.12)

Gold-underlined navigation stays on one line from 1200px upward; the mobile header uses an aligned hamburger and auto-closing menu.
